(1) Normalised results have been adjusted to exclude the impact of any variance from theoretical win rate on VIP program play (at Crown Melbourne, Crown Perth and Crown Aspinalls) and significant items (refer note 4e). The theoretical win rate is the expected hold percentage on VIP program play over time. Accordingly, the normalised result gives rise to adjustments to VIP program play revenue, gaming taxes, commission & other expenses and income tax expense. Refer to note 3 in the attached financial statements for more information. The Group believes that normalised results are the best measure of viewing performance of the business as it removes the inherent volatility in VIP gaming revenue. Normalised results are a non-IFRS measure.

(2) Actual results reflect revenues & expenses at actual win rates and include significant items.

(3) Refer note 4e in the attached financial statements for further details.

The theoretical win rate is the expected hold percentage on VIP program play over time. Accordingly, the normalised result gives rise to adjustments to VIP program play revenue, gaming taxes, commission & other expenses, income tax expense and equity accounted share of associates' results.

(2) Total revenue of \$1,769.2 million includes \$19,000 of profit on disposal of non-current assets, which is not included in revenue in the Statement of Profit or Loss.

Risk management activities

The Group's business activities expose it to the following risks; market risks (interest rate, share price and foreign exchange), credit risk and liquidity risk. For each of these risks, the Group considers the counterparties, geographical area, currency and markets as applicable to determine whether there are concentrations of risk.

During the period, the Group held and entered into foreign exchange contracts to hedge future transactions in foreign currencies, which were designated in hedge accounting relationships. In addition, the Group maintained interest rate swap contracts and cross currency swap contracts, which were designated in hedge accounting relationships. These hedges were assessed to be highly effective as at 31 December 2017.

For the period ended 31 December 2017, an unrealised loss of \$6.0 million in relation to the above foreign exchange and interest rate contracts was included in other comprehensive income.

8. Financial Instruments *continued***Fair value of financial instruments**

The fair value of the Group's financial assets and financial liabilities approximates the carrying value as at balance date.

The Group uses various methods in estimating the fair value of a financial instrument. The methods comprise:

- Level One - the fair value is calculated using quoted prices in active markets;
- Level Two - the fair value is estimated using inputs other than quoted prices included in Level One that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- Level Three - the fair value is estimated using inputs for the asset or liability that are not based on observable market data.

As at 31 December 2017, the Group held the following classes of financial instruments measured at fair value:

On 15 February 2016 Crown was issued with amended assessments and notice of penalty by the Australian Taxation Office for a total of approximately \$362 million which comprises primary tax, interest and penalties. The amended assessments are in respect of income tax paid for the financial years ended 30 June 2009 to 30 June 2014 (inclusive) and relate to the tax treatment of some of the financing for Crown's investment in Cannery Casino Resorts and other investments in North America. Crown considers that it has paid the correct amount of tax and intends to pursue all available avenues of objection (including, if necessary, court proceedings) to the amended assessments.

As announced by Crown on 4 December 2017, Maurice Blackburn Lawyers have commenced a class action proceeding against Crown in the Federal Court of Australia. The proceeding has been filed on behalf of persons who acquired an interest in Crown shares between 6 February 2015 and 16 October 2016. Crown has announced that it intends to vigorously defend the proceeding.

In addition to the above matters, entities within the group are defendants from time to time in legal proceedings arising from the conduct of their business. The group does not consider that the outcome of any proceedings ongoing at balance date, either individually or in aggregate, is likely to have a material effect on its financial position. Where appropriate, provisions have been made.

The group has no other material contingent liabilities at 31 December 2017.

Independent Auditor's Review Report to the Members of Crown Resorts Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Crown Resorts Limited (the Company) and its subsidiaries (collectively the Group), which comprises the statement of financial position as at 31 December 2017, the statement of profit or loss, the statement of comprehensive income, statement of changes in equity and cash flow statement for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half-year financial report of the Group is not in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the consolidated financial position of the Group as at 31 December 2017 and of its consolidated financial performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

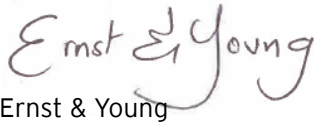

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's consolidated financial position as at 31 December 2017 and its consolidated financial performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the Group, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
