**MELBOURNE: Crown Resorts Limited (ASX:CWN) (Crown)** announced today the following update on the current operating conditions at each of Crown's Australian resort properties.

### **Crown Melbourne**

Following a statement issued by the Victorian Government in relation to the 5-day lockdown in Victoria, with effect from 11:59pm on 15 July 2021 until 11:59pm on 20 July 2021, the following operations will cease at the Crown Melbourne entertainment complex:

- gaming activities; and
- food & beverage, retail, banqueting and conference facilities other than for the provision of takeaway meals or meal delivery services (where determined).

Hotel accommodation will continue to be provided for approved purposes.

### **Crown Perth**

Crown advises that effective 6 July 2021, Crown Perth recommenced:

- food & beverage, banqueting, conference and theatre activities; and
- gaming activities limited to 150 patrons in a designated VIP gaming room.

From 12 July 2021, all remaining restrictions were lifted and Crown Perth recommenced transitioning gaming and non-gaming activities to pre-lockdown conditions.

### **Crown Sydney**

Crown refers to its announcement of 28 June 2021 and advises that, in line with the extension of the New South Wales Government's stay-at-home orders across Greater Sydney, Crown Sydney's food & beverage and conferencing facilities will remain closed until at least 30 July 2021. Crown Sydney's hotel services will continue to operate in a reduced capacity.

Crown will continue to work closely with all State governments and health authorities and will respond to measures taken in relation to COVID-19.

### **Our People**

Crown continues to support employees, in all states that are impacted by lockdowns or restrictions, as a consequence of the COVID-19 pandemic.

Crown's practice has been to pay full rostered shifts in week one of a lockdown followed by discretionary payments from Crown to employees, which is considered on a case-by-case basis depending on their eligibility for government assistance. Crown is also providing employees with

information about the Federal Government's enhanced assistance for individuals whose ability to work has been impacted by the extended lockdown.

In addition to payments, Crown is providing impacted employees with access to the Crown Resorts Hardship Fund. To date, close to 1,000 employees have accessed this fund to alleviate financial hardship caused by not being able to work in lockdown.
