1. Introduction and background

The role of the Committee is to assist the Board in setting Crown's corporate social responsibility policies and programs and assessing Crown's corporate social responsibility performance.

For Crown, corporate social responsibility means the integration of social, environmental and economic concerns in its business operations and in its interaction with its stakeholders, on a voluntary basis. It involves operating Crown's business in a manner that meets or exceeds the ethical, legal, commercial and public expectations that society has of businesses and reflects Crown's voluntary contribution toward a better society.

Matters directly relating to health and safety remain the responsibility of Crown's Occupational Health & Safety Committee.
