Crown Presidential Villa

Sydney, Australia: Crown Sydney continues to redefine entertainment, unveiling a new era of world-class music experiences with its debut **Crown Suite Sessions** event featuring Luke Hemmings, in partnership with Hennessy.

Due to overwhelming demand with the first show selling out **within hours**, a **second performance has been added on the same night, Thursday 8 May, from 5pm to 7pm**. The multi-platinum artist and lead vocalist of 5 Seconds of Summer will now perform two intimate, six-song solo sets and host Q&A sessions in Crown's Presidential Villa, located on the 88th floor of Crown Towers.

With limited tickets available at \$495 per guest, this is a rare opportunity to experience one of Australia's most celebrated artists in an unforgettable setting. The Suite Sessions event aligns with Crown Sydney's evolution as a premier entertainment destination, where global music icons not only stay but now perform in up-close-and-personal showcases.

Fresh from his critically acclaimed 2024 solo tour and having firmly established himself as one of Australia's most successful musicians, Hemmings' return to Sydney marks a milestone in Crown's mission to curate unmissable moments at the intersection of music, luxury, and culture.

Crown Sydney CEO, Stanford Le, said: "This is the first time our Sydney community has had access to our Presidential Villa space via a ticketed event, and we're excited to showcase our commitment to world-class entertainment and one-of-a-kind experiences for our guests."

"There's always something special about playing shows back in Australia- it feels like a full circle moment every time. I'm really looking forward to playing a few songs in an intimate and iconic setting in my hometown of Sydney. The songs I write for my solo project are incredibly personal, so sharing them in a space where it's just about the music and the audience makes it all the more meaningful." Luke Hemmings said of his upcoming performance.

This intimate solo performance also spotlights Crown Sydney's award-winning hospitality. Guests will be treated to world-class dining with a bespoke Nobu menu, sky-high themed Hennessy cocktails, premium beverages, and complimentary signed merchandise, ensuring an unparalleled experience.

Tickets for the second performance are strictly limited. For bookings and details, visit the [Crown Sydney website](#).
