

Notice of Annual General Meeting

Crown Resorts Limited ACN 125 709 953

Dear Shareholders,

On behalf of the Directors of Crown Resorts, I am pleased to invite you to attend the 2021 Annual General Meeting of the Shareholders of Crown Resorts Limited (the Company) scheduled to be held online on Thursday, 21 October 2021 at 10:00am (Melbourne time) (AGM or Meeting).

Consistent with our approach in 2020, due to COVID-19 and the restrictions on travel and indoor gatherings imposed by governments as at the date of this Notice, the Board has determined to conduct this year's Meeting as a virtual meeting. There will not be a physical location for Shareholders and proxies to attend the Meeting.

Shareholders and proxyholders will be provided with the opportunity to participate virtually in the Meeting. Shareholders will be able to view the live webcast, to vote on resolutions and to ask questions during the Meeting.

The enclosed Crown AGM User Guide provides instructions on how to log in to the virtual Meeting and participate. The Crown AGM User Guide can also be found on the Company's website at <https://www.crownresorts.com.au/investors-and-media/annual-general-meetings>.

A recording of the AGM webcast will be subsequently available for viewing on the Company's website.

This Notice of Meeting outlines the formal business to be dealt with at the Meeting together with information on how to vote, voting eligibility, and explanatory notes.

This year stands out as one of the most challenging in our history, with unprecedented impacts on business operations from the COVID-19 pandemic and intense public and regulatory scrutiny. In regards to the former, we are little different from most other companies in having to deal with disruptions across our business portfolio. Regarding the latter, Crown is fully cooperating with each of these regulatory processes and recognises the need to demonstrate that we can deliver and sustain best practice responsible gaming, governance, compliance and culture.

As part of our response to matters raised throughout various regulatory processes, we have taken action to reform our organisation and have developed a comprehensive remediation plan which is resulting in significant changes to the way we conduct our business. Significant progress has already been made in terms of leadership renewal at the Board and senior executive level. We have implemented new operating structures, reporting lines, improved capabilities and increased resourcing across key areas of our operations including Financial Crime, Compliance and Responsible Gaming. There is also a substantial culture reform program well underway.

The Crown Board is committed and working hard on behalf of Shareholders to ensure our remediation plan is implemented, and that long-lasting culture reform is embedded in the organisation.

While this year's Meeting will again be held virtually, Shareholders will have the opportunity to ask the Board questions at the Meeting.

Responding to the strike on the 2020 Remuneration Report

At the 2020 AGM, the Company received a 34.34% vote against the 2020 Remuneration Report and, as a result, received a 'first strike'. In accordance with the Corporations Act 2001 (Cth) (Corporations Act), if the Company receives a second strike against the 2021 Remuneration Report, a separate resolution is required to be put to Shareholders at the Meeting asking if Shareholders wish to hold an extraordinary meeting, referred to as a 'spill meeting'.

The details of this process and what this means are further explained in this Notice of Meeting.

The Board acknowledges the continued scrutiny on the Company's operations and governance through ongoing regulatory investigations and Royal Commissions during the last financial year. Following last year's Meeting, and consultation undertaken since that time, we understand the concerns expressed by Shareholders and that these concerns were the underlying contributor to receiving a 'first strike' on the FY20 Remuneration Report.

The Board's far reaching and fundamental reforms referred to above are a crucial part of our plan to respond to these concerns in FY21 and beyond. The Company has also updated its disclosures in the FY21 Remuneration Report to improve transparency on our approach to people, leadership and culture.

Director elections

As part of the Board's commitment to improve its corporate governance and culture, we have accelerated the board renewal process and I'm pleased to present three new independent Non-executive Directors, Mr. Nigel Morrison, Mr. Bruce Carter and Dr. Ziggy Switkowski, to stand for election. The appointment of these directors is an exciting turning point for the Company and each of them bring exceptional skills, knowledge and experience to the Board.

Dr. Switkowski's appointment is subject to regulatory approval and should this approval not be granted prior to the Meeting, Dr. Switkowski's election will be put to Shareholders at the Company's next meeting in 2022.

Increase in fee cap

Item 6 on the Notice of Meeting is seeking Shareholder approval to increase the Non-executive fee cap. The Board has not sought to increase the fee cap since 2016. Since then, the Company has undergone significant change, not only in the expansion of its operations to include Crown Sydney, but the composition of its Board and a commitment to having a full complement of independent Non-executive Directors.

The resolution to increase the Non-executive fee cap will provide the Company with adequate flexibility to facilitate the continued recruitment of quality, high-calibre independent Non-executive Directors. The resolution is not being sought to increase the current fees payable to Non-executive Directors.

On behalf of the Board, I look forward to welcoming Shareholders to the Meeting on 21 October 2021, and although we are in a virtual setting, we welcome the submission of questions either in advance or during the Meeting. We look forward to engaging and updating you on the progress we are making towards ensuring Crown is a stronger, more transparent and respected company.

Jane Halton AO PSM
Interim Chairman
Crown Resorts Limited

The Sign-on Performance Rights are a one-off grant to Mr. McCann as part of his sign-on arrangements.

The terms and conditions of Mr. McCann's employment arrangements, including details of his current total remuneration package, are set out in Attachment A (these terms and conditions were also announced to ASX on 10 May 2021 in accordance with ASX Listing Rule 3.16.4).

Mr. McCann joined the Company on 1 June 2021 (Commencement Date) and was issued 400,000 Sign-on Performance Rights on that date, noting that the Performance Rights would be put to Shareholders for approval at the AGM.

The Listing Rules do not require the Company to obtain Shareholder approval for Mr. McCann's Sign-on Performance Rights. However, in the interests of good governance, the Board has determined that shareholder approval will be sought.

Summary of Sign-on Performance Rights

As announced on 10 May 2021, the Sign-on Performance rights will vest three years after Mr. McCann's Commencement Date (vesting date), subject to Mr. McCann being employed on the vesting date.

If Mr. McCann resigns, does not receive regulatory approvals within 6 months of the Commencement Date, or is terminated for cause, the Sign-on Performance Rights will lapse. If Mr. McCann's employment is terminated by the Company without cause or as a result of a "Fundamental Change", the Sign-on Performance Rights will vest immediately. A Fundamental Change occurs if there is a substantial diminution of Mr. McCann's role, including where he is no longer the Chief Executive Officer of an Australian publicly listed company.

In addition, if a transaction occurs which does not result in a Fundamental Change, but which the Board considers will lead to the diminution of Mr. McCann's position, the Board may in its discretion bring forward the vesting date of some or all of Mr. McCann's Sign-on Performance Rights.

If Shareholder approval is not obtained for the grant of the Sign-on Performance Rights, the Company will pay the cash equivalent of the Sign-on Performance Rights at the vesting date.

If Shareholder approval is not obtained and a Fundamental Change occurs or Mr. McCann's employment is terminated without cause before the vesting date, the Company will pay the cash equivalent as calculated at that time, with an initial payment within statutory limits at the time of the Fundamental Change or termination of employment and the balance to be paid on the original vesting date as if there had been no Fundamental Change or Mr. McCann had remained in employment with the Company.

Additional Information provided for the purposes of Item 4

- The securities have been issued to Mr. McCann as he will be Crown's Chief Executive Officer and Managing Director (upon receipt of all necessary regulatory approvals).
- 400,000 Sign-on Performance Rights were issued to Mr. McCann on 1 June 2021. The value of the Sign-on Performance Rights (as at close of trading on the ASX on that date) was \$5,128,000.
- The Company used Performance Rights because they create share price alignment between Mr. McCann and Shareholders but do not provide Mr. McCann with the full benefits of share ownership (such as dividend and voting rights) unless and until the Sign-on Performance Rights vest.
- Mr. McCann has not previously been issued any securities under the Crown Performance Rights Plan.
- On vesting, each Sign-on Performance Right is an entitlement to a fully paid ordinary share in the Company (or a cash equivalent amount).
- The Sign-on Performance Rights are subject to the terms and conditions of the Crown Performance Rights Plan.
- The Sign-on Performance Rights were issued for nil consideration.
- No loan was provided for the issue.
- A summary of the material terms and conditions of the Employment Agreement of Mr. McCann is set out at Attachment A.
- A Voting Exclusion Statement accompanies Item 4 in the Notice of Meeting.
- Details of the securities issued under the Crown Performance Rights Plan have been published in the Company's FY21 Annual Report. A statement that approval for the issue was obtained at the 2021 Annual General Meeting will be included in the Company's FY22 Annual Report.
- Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Crown Performance Rights Plan after this resolution is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule.

The Board unanimously recommends that Shareholders vote **in favour** of the resolution on Item 4.

Item 5: Approval of Potential Retirement Benefits for Mr. Steve McCann

The Corporations Act restricts companies from giving certain benefits to persons who hold a managerial or executive office in the Company without Shareholder approval. On receipt of regulatory approvals, this will include Mr. McCann.

Mr. McCann agreed to join Crown as CEO and Managing Director (subject to receipt of regulatory approvals) on 1 June 2021. Mr. McCann joined Crown at a time when the Company is and continues to face significant regulatory issues and possible corporate and legal actions. To give Mr. McCann a degree of certainty in relation to his employment as CEO and Managing Director, the Company has agreed to seek Shareholder approval for Mr. McCann's potential retirement entitlements under his employment agreement. Crown believes that Mr. McCann's leadership is instrumental to Crown's future and encourages Shareholders to vote in favour of the resolution on Item 5.

Under the termination benefits provisions of the Corporations Act, benefits cannot be provided to Mr. McCann in connection with his ceasing to hold a managerial or executive office in the Company or a related body corporate or in connection with the transfer of the whole or any part of the undertaking or property of the Company or a related body corporate unless approved by Shareholders, or an exception or exemption applies.

Under section 200B of the Corporations Act, the Company must not give a person a benefit in connection with the person's retirement from an office, or position of employment, in a company or related body corporate if:

- the office or position is a managerial or executive office; or
- the person has, at any time during the last three years before his or her retirement, held a managerial or executive office in the company or related body corporate, unless shareholder approval is obtained under section 200E of the Corporations Act for the giving of the benefit (or unless a specified exception applies).

'Termination benefits' are defined broadly and include termination payments (such as a payment in lieu of notice), the acceleration or automatic vesting of a share-based payment, and entitlements at or due to retirement. There are exceptions under the Corporations Act for the provision of certain kinds of benefits, such as statutory entitlements to accrued annual and long service leave and certain benefits within a monetary cap. This monetary cap is, in broad terms, equivalent to one year's annual average base salary of the relevant person over the period during which that person held a managerial or executive office (averaged over a period of up to three years). If a termination benefit is given in excess of what is permitted under the Corporations Act, a breach of the Corporations Act can occur even if the person receiving the benefit is entitled to the benefit under his or her contractual arrangements.

Section 200C of the Corporations Act requires Shareholder approval (under section 200E) where a benefit is made "in connection with the transfer of the whole or part of the undertaking or property of the company".

Crown is seeking Shareholder approval for the purposes of sections 200B, 200C and 200E of the Corporations Act for benefits that may be provided to Mr. McCann in accordance with his contract of employment (which is summarised in Attachment A), in addition to any benefits that the Company is required to give to Mr. McCann under statute law, such as accrued annual and long service leave entitlements. The Company and Mr. McCann reserve the right to agree not to rely on this approval and to instead rely solely on the 12-month average base salary cap in the Corporations Act.

The amount and value of the benefits for which approval is being sought in accordance with Mr McCann's employment contract are described below.

	Reason for termination			
	For cause	Resignation	Fundamental change of CEO's role	Without cause
Accrued entitlements	Accrued entitlements (salary, leave, super, any other employee entitlements payable under law)	Accrued entitlements (salary, leave, super, any other employee entitlements payable under law)	Accrued entitlements (salary, leave, super, any other employee entitlements payable under law)	Accrued entitlements (salary, leave, super, any other employee entitlements payable under law)
Payments	Nil	Up to 12 months' pay in lieu of notice	12 months' separation payment (including any payment in lieu of notice)	Up to 12 months' pay in lieu of notice
Sign-on Performance Rights	Nil	Nil	Vest Immediately	Vest Immediately
STI	Nil	STI forfeited	STI paid based on performance	STI paid based on performance

In addition, if a transaction occurs which does not result in a Fundamental Change, but which the Board considers will lead to the diminution of Mr. McCann's position, the Board may in its discretion bring forward the vesting date of some or all of Mr. McCann's Sign-on Performance Rights. For example, if there is a sale of assets that has the effect of materially reducing Mr. McCann's role, this discretion may be exercised.

The terms of Mr. McCann's Sign-on Performance Rights are described in Item 4. The terms of Mr. McCann's FY22 STI will be set out in Crown's 2022 remuneration report. It can reasonably be anticipated that aspects of Mr. McCann's contract and the Company's STI will be amended from time to time in line with market practice and changing governance standards. Where relevant, these changes will be reported in the Company's remuneration report.

Item 5 does not relate to Mr. McCann's future LTI grants. Mr. McCann will not receive an LTI in FY22. From FY23 onwards, the Board will grant Mr. McCann a LTI opportunity on an annual basis.

The amount of any payment or value of any other benefit that may be given to Mr. McCann in connection with the termination of his employment or retirement from office depends on a number of factors, not all of which are within the Company's control.

The Board unanimously recommends that Shareholders vote **in favour** of the resolution on Item 5.

Item 6: Approval of increase to Non-executive Director fee cap

Rule 5.3 of the Company's Constitution provides that the aggregate remuneration payable to Non-executive Directors may not exceed in any year the Initial Remuneration Pool or such higher amount as is fixed from time to time by ordinary resolution passed by the Company's Shareholders.

The current aggregate Non-executive fee pool of \$2,500,000 per annum was set at the Company's Annual General Meeting in 2016 and the Board has not sought to increase the fee pool since that time.

The Company continues to undergo substantial change and a full complement of independent Non-executive Directors on the Board is critical to the success of Crown's transformation and remediation program.

During the year, the Board has appointed three new independent Non-executive Directors, Mr. Nigel Morrison, Mr. Bruce Carter and Dr. Ziggy Switkowski. It is the intention of the current Board that it comprise solely of independent Non-executive Directors, save for the Managing Director and Chief Executive Officer, Mr. Steve McCann. The resolution to increase the fee pool will provide the Company with adequate flexibility to facilitate the continued recruitment of high quality independent Non-executive Directors, reaching an optimal Board size of between seven to eight Non-executive Directors. The resolution is not being sought to increase the current fees payable to Non-executive Directors.

Resolution 6 seeks Shareholder approval to increase the Non-executive Director fee pool by \$500,000 to \$3,000,000 per annum.

The reasons for the proposed increase are as follows:

- the Company is committed to Board renewal and an increase in the fee pool will provide sufficient headroom and flexibility to increase the number of independent Non-executive Directors expected to be serving on the Board in the future;
- the workload and responsibilities of the Board have increased due to the expansion of the Company's operations to include Crown Sydney, the enhancements made to the Company's corporate governance framework, and the ongoing requirement to respond to the various regulatory processes;
- the current fee pool was set at a time when the Board consisted of Executive and Nominee Directors; new independent Non-executive Directors are replacing these Directors who were not remunerated as part of the fee pool; and
- to ensure the Company is able to attract and retain quality, high-calibre independent Non-executive Directors, with a broad range of skills, experience and expertise to help drive the Company's transformation and remediation program.

The Board also intends to undertake a review of its Board committees and Crown's subsidiary entities with respect to their structure, composition and remuneration. This is in addition to considering any recommendations arising from regulatory processes as they relate to Crown's governance practices and structures.

Whilst no changes to either the fixed fee payable to Non-executive Directors or to the committee fee structure is proposed for FY22, the additional headroom in the fee pool will provide the Company with flexibility to implement any changes from this review and, if and when appropriate, assist in the management of Board succession planning.

No securities have been issued to Non-executive Directors under ASX Listing Rules 10.11 and 10.14 in the last three years. If Shareholders approve this resolution, the total aggregate amount of Non-executive Directors' fees payable each financial year will be up to \$3,000,000. If Shareholders do not approve this resolution, the total aggregate amount will remain up to \$2,500,000.

Additional information regarding the remuneration paid to each Non-executive Director for the financial year ended 30 June 2021, is set out in the Remuneration Report.

Given the interest in this matter of each Non-executive Director, the Board does not consider it appropriate to make a recommendation on this resolution.

Item 7: Contingent resolution – conditional spill resolution

The Corporations Act was amended on 1 July 2011 to introduce the “two-strikes” rule. The two strikes rule provides that if at least 25% of the votes cast on the adoption of the remuneration report at two consecutive AGMs are against adopting the remuneration report, members will have the opportunity to vote on a “spill resolution” (as described below).

At the 2020 AGM, at least 25% of the votes cast on the resolution to adopt the remuneration report were ‘against’ adopting the remuneration report. This constitutes a “first strike”.

If at least 25% of the votes cast on Item 3 are ‘against’ adopting the remuneration report at the 2021 AGM, this will constitute a second strike and the Company will be required to put Item 7 to the Meeting under section 250V of the Corporations Act (the spill resolution).

At the 2021 AGM, all items of business will be voted on by poll. The poll on all Items will remain open throughout the Meeting and, accordingly, the definitive outcome of voting on the remuneration report (Item 3) will not be known until after the Meeting closes. Therefore, the Company will put the spill resolution to the Meeting on a contingent and conditional basis.

If more than 75% of the votes cast on Item 3 are in favour of adopting the remuneration report at the 2021 AGM, then there will be no second strike and the voting outcome on Item 7 will have no effect.

The spill resolution will be considered as an ordinary resolution, meaning that no spill will occur unless more than 50% of the votes validly cast on the resolution are in favour of it.

If the spill resolution is passed, a further meeting of members must be held within 90 days (the spill meeting). Immediately before the end of the spill meeting, each of Jane Halton AO, Nigel Morrison* and Bruce Carter*, being the directors who approved the FY2021 Directors’ Report, cease to hold office (the Relevant Directors).

* This assumes the director is elected or re-elected at the AGM.

Each Relevant Director is eligible to seek re-election as a director of the Company at the spill meeting.

If the spill meeting resolution is passed, members should note that each of the Relevant Directors intends to stand for re-election at the spill meeting.

In deciding how to vote on Item 7, the Board suggests that Shareholders take the following factors into account:

- substantial additional costs would be incurred if the Company is required to call and hold a spill meeting;
- the time and risk associated with new directors receiving probity and regulatory approvals (approximately 3 - 4 months);
- the potential disruption to the Company and the Board; and
- the current board has the skills and experience required to provide effective oversight of the Company.

The Board unanimously recommends that Shareholders vote **against** Item 7.
