CROWN PERTH WELCOMES AC MILAN

24 July, 2025: Crown Perth (Crown) will be the official home of legendary Italian football club AC Milan during their much-anticipated return to Western Australia next week.

A giant of world football, AC Milan's clash with locals, Perth Glory, at HBF Park will electrify the city.

To celebrate the friendly, Crown will host a free Q&A event with AC Milan players at the Crown Sports Bar on Tuesday 29 July, giving fans a rare chance to get up close with stars of the *Rossoneri*.

The event – which is open to the public - will feature exclusive insights into the team's preparations for the 2025 Asia-Pacific pre-season tour, their passion for the game, and what it means to wear the kit of such an historic club.

Crown Perth Chief Executive Officer Brian Pereira says a similar event staged during last year's AC Milan tour saw fans fill the Merrywell to capacity.

"As a great supporter of Perth's live sport and events, Crown is excited to welcome AC Milan and offer fans this unforgettable up-close experience with the players."

"Sport brings people together, and this is a unique opportunity for Perth to showcase its world-class hospitality and passion for football."
