17 October, 2025: Hatted Indian restaurant Kolkata Cricket Club is now welcoming corporate and special events, with the opening of its new private dining venue.

Led by acclaimed chef Mischa Tropp, Kolkata Cricket Club has quickly become one of Melbourne's most sought-after restaurants with high demand for events in this unique venue.

Unlike most private dining rooms across Melbourne, the space is flexible and can be adjusted in size to meet the requirements of a variety of functions. Whether you're hosting an intimate birthday dinner, a festive end-of-year celebration or a relaxed family gathering, the layout can be tailored to suit your guest list, with capacity ranging from 20 to 70 seated guests or up to 80 standing. For larger events, the room seamlessly expands into the adjoining Sports Bar, accommodating up to 120 guests. For those seeking an entirely bespoke experience, full venue hire is available to make the restaurant exclusively yours.

Curated by local Interior Designer Min Tseng, the beautiful private dining room brings together burnt orange hues, beautifully adorned lamps sourced from artisans in Jaipur and custom-made teak dining chairs from Scarfo Furniture Melbourne, all inspired by Mischa's travels through Bengal, India.

Guests can indulge in Kolkata's signature menu that celebrates the fire and finesse of Indian cuisine - think flame-licked meats, fresh tandoor-baked naans, and Melbourne's finest butter chicken - paired with premium beverage packages including Champagne, rare scotch and whisky, and standout wines from acclaimed Australian-Indian producers like Bindi and Avani.

Kolkata Cricket Club Founder, Mischa Tropp, said: "We're always thinking about how to make our guests feel at home.

This new setup gives us the freedom to tailor each event to what people really want. Whether it's something intimate, an elegant banquet or a big celebration, it's all about keeping things fun and flexible."

Bookings and enquiries for the new private event space can be made via the [Crown website](#).
