July 1, 2025: Crown Towers Perth has been presented with a prestigious award from TRAVEL + LEISURE India, being recognised as the 'Best Leisure Hotel' in the international award category.

The awards ceremony was held in New Delhi and honoured the finest in the travel and hospitality industry, as voted by the readers of TRAVEL + LEISURE INDIA. Over half a million survey participants cast more than 700,000 votes across 8,700 properties worldwide, making this accolade a true reflection of global travel preferences.

The award has now been officially presented to Crown Towers CEO Brian Pereira, by the Acting Consul General of India in Perth, Mr Naresh Kumar.

The formal presentation took place in the Crystal Club at Crown Towers Perth, overlooking the city's pristine Swan River and city scape.

Brian Pereira, CEO of Crown Perth said the award was significant, given votes are cast by Indian travellers directly.

"This recognition from Indian travellers is particularly meaningful, given India is one of the fastest growing and promising markets for WA's tourism industry."

"We are incredibly honoured to receive this award, which is a testament to our commitment to providing exceptional hospitality and experiences to our guests."

Mr. Naresh Kumar, Acting Consul General of India in Perth, shared his sentiments as well:

"Congratulations to Crown Towers Perth on receiving this prestigious honour, it is a testament to Crown Towers' commitment to excellence in hospitality, world-class luxury, and outstanding guest experiences."

"It is a proud moment for Western Australia, strengthening its appeal as a premier destination for Indian travellers. We look forward to continued collaboration in promoting tourism and cultural exchanges between India and Western Australia."

In February, Crown Towers Perth was been awarded a coveted Five-Star rating by Forbes Travel Guide, making it the only hotel in Australia and among a few elite hotels in the Asia Pacific region to be recognised to this standard.

Forbes Travel Guide is the only independent global rating system for luxury hotels and comprises up to 900 rigorous standards. With prominence placed on service, a Forbes Travel Guide Five-Star hotel must go above and beyond a guest's expectations, with great lengths taken to create a seamless experience.
